"Reckless" Rufus
AMSTRAD
It's got wonderfully, stonkingly addictive (and original) puzzley gameplay. And the graphics (and sound) are top notch.
YOUR SINCLAIR 90%
It's totally Bodacious, it's Manic, it's arcade action at it's finest! Test your reflexes as Rufus leaps about on the most dangerous and deadly planet of Killey. Collect crystals but look out for those hostile aliens. It's nerve-wracking, it's fast and furious, it's MOST EXCELLENT!
Screen pictures may be taken from a different 8 bit version
